

I want...

make more for my life ...
become financially independent
have Fun at the work
to be recognized In my home town

I am ready for it,

to learn
to give my whole power and
more to do than others.

With your will of iron to learn, you will set off by knowledge from possible concurrent. And nevertheless is good it to know that there is no concurrent at present and we protect your area for you.

What I have to do?

The following conditions must be given:

You should have interest in the activity and be sociable.

Cosmetic or medical training before is not necessary, since we train you particularly.

You should have a shop with at least 20m² for Skin checks and sale, but you can also start from at home, if there is a suitable room available. You have to complete training with FARRELL-INTERNATIONAL in any case.. This training is free of charge.

After the training in theory and practice an examination takes place, which ends with a certificate.

You should have a starting capital of at least 300 €.

Then you can open an

“Farrell – Skin Care Point”

What is an

SkinGuard ?

A Skin Guard is cosmetic dermatological trained and can contribute to keep the appearance of the skin longer healthy and young.

Task of the Skin Guard is it to be primarily advising and preventing active.

The Skin Guard recommends its customers after detailed checking the skin type a maintaining Crème with the appropriate active substances.

Under any circumstances the task of the Skin Guard is not to be treated skin diseases. For the case of skin problems stands a dermatologist or a alternative practitioner to the side for the Skin Guard.

Insofar the Skin Guard covers not skin problems, but treats it.

The **Farrell Skin Care Point's** are constant controlled by the **Farrell Skin Care Centres** and the **”Working Group for Dermatology and Cosmetics “**.
